

1140 Hours – Aberdeen City Council Funding Information

From Wellies Nurseries Perspective, please note the following points:

- We will be providing the 1140 hours free funding.
- The funding will be split as 30 hours per week over 38 weeks.
- Your funded days will be the FIRST three days (or less) of your week.
- Parents will be expected to pay for all hours out with the 38 weeks free period.
- Parents do not have to accept and use all 30 hours. You can use less. This is entirely your choice.
- We will not be accepting term-time pupils only. We will only accept those children who wish to sign up for 50 weeks of the year with us. This has always been our policy and will not change.
- The 30 hours can be split over three full days (10 hours per day) or a mixture of whole days and half days. We will not be accepting shorter sessions than half days. This has always been our policy and will not change.
- Nursery sessions (in our pre-school rooms) will run from 8am until 6pm. You can choose a full day session (10 hours) or a mix of half day sessions. Half day sessions will run from 8am until 1pm and 1pm until 6pm (5 hours each session). This is in our Pre-School rooms only. Our other rooms will continue to run sessions from 7.30am until 6pm.
- A Breakfast Club from 7.30am until 8am will be available in our pre-school rooms. This will be at an additional cost per day and must be paid for by the parent (on the FREE funded days). There will be unlimited places for all those who require a space. Spaces must be booked in advance and you must give a four week notice period in order to cancel your space.
- Breakfast Club - there will also be additional ad-hoc spaces available for those who may require them. It will run for 50 weeks of the year. During holiday periods, breakfast club will NOT be charged at an additional rate. It will be charged as part of your day rate - the same as we do now. It will ONLY be charged at an additional rate, during your FREE FUNDED days. You will be able to book our breakfast club through the office.
- Breakfast in our other rooms will continue as normal.
- Admissions to Wellies Nurseries will be done in the same way as always - by completing our admissions form. This will not change.
- For those parents who have already booked a place with us, don't worry, there is nothing else to do at the moment. Your place is totally guaranteed with us. When you originally applied to a Wellies Nursery you were told (in writing) how long your space was guaranteed for. Most parents have been told that they have a space with us until your child leaves to go to school. A small number of parents were told that their place with us was booked for a limited time only. If this is the case, you would have been put on the waiting list. Please check your own emails if you are concerned about this. This is always made very clear during the admission procedure.
- For those parents who have already booked three or more days or at least 6 half day sessions at a Wellies Nursery (30 hours), you will be able to receive your full funding allocation from us. Anything above the 30 hours will be paid for by you.
- For those parents who have less than three whole day sessions or 6 half day sessions (30 hours) booked with us, please contact us to discuss availability for additional sessions. You can also split your funding between us and another provider eg. school nursery, private nursery or childminder. This is entirely your choice.
- For everyone who has already booked sessions with us, these are safe! We have NEVER said that we cannot give you your sessions or your funding. We HAVE said that we may struggle to give you additional sessions and that you will need to speak to us about this asap. Unfortunately, we cannot provide sessions where none exist. We also cannot keep sessions back on the off-chance that someone may eventually want them.
- Ad hoc sessions will still be available at an additional cost. Free Funding does not cover ad hoc days.
- All requests for additional spaces or changes to patterns must be put in writing to Kerry. This has always been the policy and has not changed.
- You are allowed to have cross-authority placements. ACC residents can enrol in Aberdeenshire nurseries and Aberdeenshire residents can enrol in ACC nurseries.
- If your child is eligible to go to school this year but you are considering deferring their start date, you must let us know in WRITING if you are planning on keeping them in nursery for another year. **We need to ensure that we have a space for your child for an additional year. This is therefore VITAL information.**
- **Funding application forms will come out from Aberdeen City Council later in the year (usually around July). As soon as we receive these, we will make you aware and you will be able to apply for your funding. We will keep you right with this. Please just ask in the office if you are unsure.**

Early Learning and Childcare (ELC) – Session 2023/24

Information for Parents applying for Council funded Early Learning and Childcare places in session 2023/2024

Aberdeen City Council works with registered Early Learning and Childcare (ELC) centres or nurseries in the private and voluntary sectors and childminders (“providers”) for the provision of funded ELC places.

Children are entitled to up to 1140 hours of funded ELC and will also receive a free meal if they attend 4 or more consecutive hours per day at a setting and attend over a mealtime.

Eligible 2's

Some 2-year olds may be entitled to up to 1140 hours of funded ELC if their family is in receipt of certain benefits or allowances. Please check our website for further information [Eligible 2's](#)

Or email eligible2@aberdeencity.gov.uk

If entitlement has been confirmed, you will be entitled to funding from the term following your child's second birthday until they are eligible for an ELC place in their ante pre-school year.

3 and 4 year olds

All 3 and 4 year olds are entitled to up to 1140 hours of funded ELC. Start dates depend on their date of birth.

Children born between 1 March 2019 and 29 February 2020 are entitled to funding for all three (term time)/ four terms. The same applies to children who have chosen to defer.

Children born between March 2020 and February 2021 are entitled to funding as follows:

Date of Birth	Entitlement to funding
1 Mar 2020 to 31 Aug 2020	Terms 1 – 4 (3 if term time) (from August 2023)
1 Sep 2020 to 31 Dec 2020	Terms 2 – 4 (3 if term time) (from January 2024)
1 Jan 2021 to 28 Feb 2021	Terms 3 – 4 (3 only if term time) (from April 2024)

5 year olds

Children who are resident in Aberdeen City who turn 5 between 22nd August 2023 and the end of February 2024, will be automatically entitled to an additional year of funded ELC. No application for deferral will be necessary, however, we will gather data which may be shared with the Scottish Government.

Hours attended

Parents and carers must discuss the hours that are available with the provider and be clear how many weeks they will receive funded ELC for. If your child is attending for 38 weeks of the year the maximum weekly funded hours will be 30 hours per week. If attendance is for 46 weeks, the maximum weekly funded hours will be 24 hours 47 minutes. The weekly entitlement is 1140 divided by the number of weeks offered.

Children will not be funded for more than 10 hours in one day.

Applications for Funding

You should complete Part A of the application form (available from your Funded Provider) and return it to your provider along with a copy of your child's birth certificate, child benefit payment book or passport as evidence of your child's date of birth.

Your provider should then complete Part B. Personal information on this form will be used only for the purpose of establishing eligibility for EL&C funding and all documents used to evidence date of birth will be destroyed once your application has been processed. Once Part B is complete, you (the parent) need to sign the form to confirm that your child attends the hours stated. Part C asks for information the Scottish Government wishes to collect.

Your child will also be entitled to a free meal for every 4 hours they attend.

Curriculum and Quality Assurance

Providers must deliver the "Curriculum for Excellence". Providers must self-evaluate using the Quality Indicators "How Good is Our Early Learning and Childcare Centre" published by Education Scotland. Education Scotland is responsible for inspecting providers. Parents are entitled to see copies of inspection reports which should be displayed at the provider's premises for at least one month.

The Council provides professional advice, guidance and training to providers.

Parents will receive from the provider an end of year report, summarising their child's progress in the five key curriculum areas.

Further Information

Your provider is required to supply you with information relating to the following:

- details of its premises and equipment, number of staff (and relevant experience and/or qualifications of staff), and educational programmes and activities;
- term dates and the timetable for sessions;
- its admissions policy;
- its system for reporting children's progress to parents;
- a statement that a complaints procedure exists and information on how parents can get further information about it;
- its child protection policy;
- its policy for staff training; and details of the provision made by it for children with additional support needs

Early Learning and Childcare Funding Privacy Notice

Why are we asking for your information?

Aberdeen City Council collects and records information about you and your child on this application form in order to provide funding in relation to the entitlement to Early Learning and Childcare. We will keep this information for 7 financial years from the date of application.

Aberdeen City Council shares information contained in this application with your chosen Early Learning and Childcare provider for the purpose of funding your child's allocated place.

Your Data, Your Rights

You've got legal rights about the way the Council handles and uses your data, which include the right to ask for a copy of it, and to ask us to stop doing something with your data. Please contact the Council's Data Protection Officer by email DataProtectionOfficer@aberdeencity.gov.uk or in writing at: Data Protection Officer, Aberdeen City Council, Business Hub 6, Level 1 South, Marischal College, Aberdeen, AB10 1AB.

More information about all of the rights you have is available on our website at: <https://www.aberdeencity.gov.uk/your-data>.

You also have the right to make a complaint to the Information Commissioner's Office, (www.ico.org.uk). They are the body responsible for making sure organisations like the Council handle your data lawfully.

Legal Basis for Processing

Aberdeen City Council is the Data Controller for this information about you. Wherever the Council processes personal data, we need to make sure we have a legal basis for doing so in data protection law. The Council understands our legal basis for processing personal data in as Article 6(1)(e) of the General Data Protection Regulation. This is because providing funding in relation to the entitlement to Early Learning and Childcare is part of our public task under the Children and Young People (Scotland) Act 2014. In carrying out this task, the Council is also likely to process special categories of personal data. The Council understands our legal basis for doing so as Article 9(2)(g) of the General Data Protection Regulation, because processing is necessary for reasons of substantial public interest.

We're changing how we collect information on funded Early Learning and Childcare in Scotland

Each year the Early Learning and Childcare (ELC) census collects information about children receiving funded ELC across Scotland. Scottish Government are currently trying to improve this data collection as we realise that the current ELC census doesn't provide the information required to manage this sector. It also places a burden on ELC funded centres and local authorities, with little benefit to them.

The **ELC Data Transformation Project** is a **new** development, which is building on the existing census to make vital information available to measure the Scottish Government's commitment to providing high quality funded ELC. The data collected will be used to inform future planning for provision and the ELC workforce, as well as to better support children and families. There will be a number of **data trials** to test changes to the process before the new census is fully established.

What data will be collected on your child?

The information that will be collected on your child has been chosen to help us understand how families are using funded ELC and to help ensure that funded ELC is accessible to all. The following will be collected:

- Gender
- Date of birth
- Home postcode
- Ethnicity
- Home language
- Stage (e.g. 3 years old)
- Disability status
- Additional support needs
- Support plans
- If Gaelic medium education
- Eligibility reason for 2 year olds
- Funded ELC provision (hours, days, weeks)

The data will be provided by the local authority (parents do not need to do anything). Information such as name or medical information will **not** be shared.

Information will be transferred from local authorities to the Scottish Government using **secure** data transfer systems, and access to data will be restricted.

Where can I get further information?

Further information regarding the project, data security, your rights and how the data is processed can be found on the [ELC Data Transformation Project webpage](http://www.gov.scot/Topics/Statistics/Browse/Children/ELCData/ELCDTP):

If you do not provide at least 4 weeks' notice and wish to retain your place at a Wellies Nursery, an additional charge of £100 (per child) will be invoiced to you. This additional fee will be to compensate for lost income. If you do not pay this additional charge, you will lose both your nursery place and your £100 deposit.

If your child does not attend nursery due to sickness or holidays, you will still be charged for the booked sessions. Failure to pay may result in your place at a Nursery being cancelled.

- A £20 per week surcharge will be charged for late payments received after the 6th of each month. There is no exception to this surcharge.
- Wellies Nurseries will be open for fifty weeks of the year including all public and local holidays. Non-chargeable 2 weeks holiday includes the Christmas and New Year fortnight when the nurseries are closed for two weeks. You will not be charged for these holidays. Dates will be in line with Aberdeen City Council school and nursery closures.
- There is a minimum requirement of four half day sessions or two full day sessions per child per week.
- Additional nursery sessions may be booked through discussion with the Nursery Manager. We would always strive to accommodate short-notice requests but these will be subject to staffing ratios.
- Children collected late will be charged at the hourly rate.
- Additional lunches can be provided.
- An additional larger 'tea' has been added (hot mighty snack).
- Any additional fees incurred, for example any extra sessions/lunches, will be added to the following month's invoice.
